

Color and read along with Nico!

It's a snowy morning, and Nico the little reindeer can't wait to play outside. He makes a snow angel, meets his new friend Tilly the penguin, zooms down a hill on a sled, builds a snowman, and cozies up with Mama for cocoa by the fire.

Every page has one short sentence in BIG, easy letters and one bold, thick-lined picture that's easy to color. Perfect for ages 3-6.
